CHANDRADITYA SATI

Phone: +919410959664 | **Email:** chandradityasati@gmail.com
Location: Almora, Uttarakhand

PROFESSIONAL SUMMARY

Dedicated 3rd-year Electronics and Communication Engineering student at Bipin Tripathi Kumaon Institute of Technology with foundational programming and database skills. Seeking a **remote IT internship** to apply technical knowledge, gain practical experience, and balance academic commitments. Quick learner passionate about problem-solving and software development.

EDUCATION

Bachelor of Technology (B.Tech) - Electronics and Communication
Bipin Tripathi Kumaon Institute of Technology, Dwarahat, Almora
Expected Graduation: 2027 | Currently: 3rd Year
Overall Performance: 62% (CGPA 5.58 / 10)

TECHNICAL SKILLS

Programming: Python (Core Concepts: Variables, Data Types, Loops, OOP, File Handling)

Database: SQL (Basic queries, Data retrieval, Manipulation)

Data Structures: Foundational knowledge of arrays, lists, dictionaries

Other: Problem-solving, Quick learning, Adaptability to new technologies

---

PROJECTS & PRACTICAL EXPERIENCE

Portfolio Website: Chandraditya Sati - Portfolio

- Showcases ongoing projects (**currently under development**)
- Includes **Music Genre Classifier**, **Music Training Website**, and **Arduino Security System**
- Highlights skills in Python, TensorFlow, HTML, CSS, JavaScript, Arduino

Python Programming Concepts | Academic | 2024–Present

- Developed practical understanding of object-oriented programming principles
- Implemented file handling mechanisms for data storage and retrieval
- Applied loops and conditional logic to solve computational problems

SQL Database Fundamentals | Academic | 2024–Present

- Practiced basic SQL queries for data manipulation and retrieval
- Gained hands-on experience with relational database concepts

---

CAREER OBJECTIVES

Seeking a **remote IT internship** to apply and expand programming and database skills, gain exposure to real-world software development, and receive mentorship from industry professionals while accommodating college schedule.

Extracurricular Activities & Interests

- **Cultural Coordinator;** organized multiple college events and managed teams of 20+ participants.
- **Visharad in Tabla;** skilled in Guitar and Drums; performed in college and community events.
- Actively participate in music and cultural activities, demonstrating leadership, teamwork, and creativity.

ADDITIONAL INFORMATION

Availability: Flexible hours; can accommodate remote work schedule around college classes
Work Preference: Remote/Work-from-Home
Willingness to Learn: Open to learning new programming languages and technologies as required
